### Volunteer Readiness Quiz

If you want to do your part as a volunteer but don't know where to begin, ask yourself the following questions to help you figure out what opportunities are best suited to you:

- What time commitments are you willing to make? (a regular/monthly commitment or a short-term/one-time opportunity) Be honest with yourself!
- Do you have specific skills or abilities you would like to share with an organization?
- Would you like to develop specific skills?
- Do you want to volunteer with other people or by yourself?
- What are your personal goals? (ie. re-enter the workforce, meet new people)
- What existing problem do you want to solve? What moves you?

Answering these questions will help you determine your volunteer expectations and choose your volunteer position.
